### **Advisory Notice May 1, 2013**

#### **EDI Release 3**

The South Carolina Workers' Compensation Commission (SCWCC) began accepting First Report of Injury (FROI) in IAIABC Claims EDI Release 3 format on November 3, 2012. All EDI Release 1 Trading Partners must migrate to Release 3 by December 31, 2013. Effective January 1, 2014, SCWCC will no longer accept claims reported in EDI Release 1 Standard. All Claims must be reported via EDI Release 3 Standard format.

In order to efficiently migrate to the system, SCWCC must approve vendors or TPAs to submit claims via EDI Release 3 format.

The following vendors have been approved by SCWCC to submit EDI Release 3 transactions to SCWCC:

Ebix  
Health Tech  
Mitchell International

If you or your vendor has not yet been approved by SCWCC for EDI Release 3 or is not currently testing to be approved, please contact [wccit@wcc.sc.gov](mailto:wccit@wcc.sc.gov).
